The City of Bartlett is *Hometown Proud* and stands as a Tennessee treasure brimming with rich heritage. The Bartlett Library serves as a cornerstone of this close-knit community and is supported wholeheartedly by both patrons and local leadership. You create amazing experiences for our library patrons. You work cooperatively and effectively with others to deliver excellent service, resolve problems, and make decisions that enhance organizational effectiveness. You provide leadership support to your department in the areas of operations, programming, community outreach, usage data, staff training and collection support. We value candidates who have a confident, upbeat, and positive attitude in the public library environment as well as possess strong communication and organizational skills.
