

Librarian II

Montgomery City-County Public Library, AL
\$36,284

The Librarian II provides technical support in a specialized area such as reference, cataloging, children/youth services, circulation, and computer education. Work responsibilities include serving patrons and the public, assisting in the management of the facility, supervising or assisting in the supervision of employees, performing circulation duties, performing collection management activities, serving as experts, and performing a variety of library related duties. Qualified candidates will possess a master's degree in librarianship from a program accredited by the American Library Association or a master's degree with a specialty in school library media from an educational unit accredited by the National Council for the Accreditation of Teacher Education and 1 year of professional level library experience. Employees are offered a competitive benefits package which includes health and dental insurance, paid annual and sick leave, paid holidays, and a retirement program. Additional job information and online application are available at www.montgomerypersonnel.com. Applications must be submitted no later than 5 PM CST on April 1, 2019.
