Library Specialist I

Job Class: 145068
Non-Exempt

Definition of Class

This position performs advanced level duties associated with overseeing a functional area within a library department or unit. The incumbent assists and instructs patrons and library staff with general and extensive queries, applies fundamental knowledge of multiple standards, policies, and procedures, and maintains accurate and detailed records.

Examples of Work

- Provides access to a diverse user community by managing catalog records for physical and electronic resources.
- Performs daily behind-the-scenes work. Does not have public service point responsibilities.
- Unpacks, checks in, and processes new materials from Government Publishing Office (GPO).
- Downloads and edits bibliographic records individually and in batches.
- Physically checks library shelves for holdings and replaces items that have been updated.
- Catalogs and processes older materials including maps, microfiche, and legacy media.
- Processes gifts designated for the Library's Centers of Excellence, a comprehensive collection of documents from the IRS, the Small Business Administration, and the Commission on Civil Rights.
- Cross-trains with members of Metadata and Digital Initiatives.
- Updates and manages detailed and complex records in database(s).
- Creates consistent data for complex and/or original records using a template.
- Processes collections according to established standards.
- Provides input on policies, procedures, and issues.
- Modifies existing discovery points such as call numbers/SuDOC numbers as needed.
- Performs similar or related duties as assigned or required.

Essential Functions

These essential functions include, but are not limited to, the following. Additional essential functions may be identified and included by the hiring department.
