

## **Assistant Professor/iHub Coordinator and Outreach Librarian**

Southeastern Louisiana University's Sims Memorial Library seeks applicants for the position of Assistant Professor/iHub Coordinator and Outreach Librarian. This position is a tenure track Librarian position that will lead the outreach efforts and iHub management for Sims Library. Outreach duties include developing a comprehensive outreach program for Sims Library, representing the Library in professional, civic, and community settings, and cultivating partnerships that expand program reach and relevance. This position will also oversee the daily operations of the iHub by creating programming that showcases the technology housed in the facility. This role will include supervisory duties.

### **REQUIRED QUALIFICATIONS:**

Master's Degree in Library and Information Science

1-3 years of professional library experience.

Computer skills in an online multi-tasking environment.

Ability to develop and maintain community and on-campus partnerships.

Ability to work productively in a team environment.

Collaborative, analytical problem-solving skills, and initiative.

Project planning and implementation skills.

### **PREFERRED QUALIFICATIONS:**

Academic library experience.

Supervisory experience.

Ability to create and use complex spreadsheets.

High degree of accuracy in complex, detailed work.

### **REQUIRED DOCUMENTS:**

Cover Letter

Resume/Vita

Copies of transcripts (official transcripts will be required if hired)

Names and contact information for three references

Posting Close Date

January 19, 2026
